Hello Ms. Wesley-Ventura,

I am contacting you on behalf of Rustem Kazazi and Lejla Kazazi for Case No.2018-4101-00007901.

My parents wanted to add some documentation to his claim in regards to \$770.00 that was not listed on the seizure notice or amended notice. To clarify, my parents will be claiming that money too, for a total of \$58,100 of U.S. Currency. They are requesting that CBP refer that amount for court action. Included are copies of my parents original claim forms and election of proceedings form.

Please let me know when it is received.

Thank you,

Erald Kazazi
